RE: Site 10 (Camp Fogarty) Proposed Plan for Soils and Groundwater
Naval Construction Battalion Center
Davisville, Rhode Island
Submitted 6 November 1996, Dated 5 November 1996

Dear Mr. Otis;

The Rhode Island Department of Environmental Management (RIDEM) Office of Waste Management has reviewed the above referenced document. The document responds to RIDEM's 22 October 1996 comments satisfactorily including the request to obtain a variance from the RI Department of Health Lead Regulations which was approved on 31 December 1996. The only remaining issue is the finalization of the ecological risk evaluation which is currently under review by the Department.

If you have any questions or require additional information please call me at (401) 277-3872 ext. 7138.

Sincerely,

Richard Gottlieb, P.E.
Principal Sanitary Engineer
